15th International Conference on Internet Engineering & Web Services (InWeS 2024)

June 29 ~ 30, 2024, Copenhagen, Denmark

Call for Participation

We invite you to join us in **15th International Conference on Internet Engineering & Web Services (InWeS 2024).**

This conference will provide an excellent international forum for sharing knowledge and results in theory, methodology and applications of Internet Engineering & Web services environment. Current information age is witnessing a dramatic use of digital and electronic devices in the workplace and beyond. Internet Engineering & Web services present a rather arduous requirement of robustness, reliability and availability to the end user. Internet Engineering & Web services has received a significant and sustained research interest in terms of designing and deploying large scale and high-performance computational applications in real life. The aim of the conference is to provide a platform to the researchers and practitioners from both academia as well as industry to meet and share cutting-edge development in the field.

Highlights of InWeS 2024 includes:

- 10th International Conference on VLSI and Applications (VLSIA 2024)
- 11th International Conference on Signal Processing (CSIP 2024)
- 5th International Conference on Big Data, Machine Learning and IoT (BMLI 2024)
- 4th International Conference on Advances in Computing & Information Technologies (CACIT 2024)
- 8th International Conference on Networks and Security (NSEC 2024)
- 2nd International Conference on Education & Information Technology (EDUIT 2024)
- International Conference on NLP, Artificial Intelligence, Machine Learning and Applications (NLAIM 2024)

Registration Participants

Non-Author / Co-Author / Simple Participants (No Paper)

100 EURO for Online (Without Proceedings)

450 EURO for Face to Face (With Proceedings)
