

Call for Participation

We invite you to join us in **International Conference on NLP, Artificial Intelligence, Machine Learning and Applications (NLAIM 2024)**.

This conference will provide an excellent international forum for offers a premier global platform for exchanging insights and findings in the theory, methodology, and applications of NLP, Artificial Intelligence, Machine Learning, and their applications. The conference seeks substantial contributions across all key domains of NLP, Artificial Intelligence, Machine Learning, and their practical applications, aiming to foster both theoretical advancements and real-world implementations. With a focus on facilitating collaboration between researchers and practitioners from academia and industry, the conference serves as a nexus for sharing the latest developments in the field.

Highlights of NLAIM 2024 includes:

- 10th International Conference on VLSI and Applications (VLSIA 2024)
- 11th International Conference on Signal Processing (CSIP 2024)
- 5th International Conference on Big Data, Machine Learning and IoT (BMLI 2024)
- 4th International Conference on Advances in Computing & Information Technologies (CACIT 2024)
